Inboard

Summary/Description

The Oceanis 46.1 is the perfect balance of performance and comfort. This boat is ideal for cruising with her 5'9" draft and ICW friendly mast. The furling main sail simplifies sail handling and keeps short handed crews safely in the cockpit.

"Love is in the Air" is equipped with a bowsprit and 2:1 spinnaker halyard and is ready for a Code Zero or Asymmetrical spinnaker. Down below her interior feels like a large yacht with wonderful natural lighting and a flowing layout. The primary cabin features a separate shower and head compartment and a large island bed. The two aft cabins are ready to welcome guests or add to the storage capacity. A change in plans for her current owners provides an opportunity to own a modern yacht with warranty remaining at a discounted price that is 100% ready to sail away today!

Options and Upgrades
