Summary/Description

MONK 36 TRAWLERS never stay on the market for long and CAROLINA GIRL has just had a major refit, and has all brand new electronics, a one year old Westerbeke 8KW generator, is in very good condition, and is ready to go cruising or to take you around the Great Loop.

Monk 36 Layout

This is a two cabin boat with a forward V-berth and head compartment. The master cabin is aft with a centerline queen berth, head with separate shower compartment, hanging locker and lots of storage. The salon features an L-shaped settee to port, and a dining table with fold out leaves. The galley is to starboard, and has a large refrigerator, 3 burner propane stove w/oven, microwave, a double sink, and lots of storage and counter space.

Accommodations

Forward, there is a large v-berth with filler in the forward cabin. The guest head is located to port just aft of the forward cabin. Three steps up and you are in the main salon. The lower helm and sliding door to side deck are located forward to starboard. The L shaped galley is located to starboard - aft in the main salon area. It includes a 3-burner propane stove, double stainless steel sinks and a stand-up Norcold refrigerator-freezer. To port is a large L-shaped settee with foldout dinette that seats six. The entrance to the aft cabin is to port located aft of the settee.. Two steps down leads to the luxurious master aft cabin with centerline queen berth and ensuite head with stand up shower stall. The engine and generator access is obtained by lifting the teak and holly cabin sole hatches.
