Manufacturer provided Description

Our line of outstanding boats are designed primarily for saltwater use both inshore and offshore, but will serve very well for rivers and the largest lakes. They are designed by fishermen, for fishermen, but can serve a family for any recreational activity on the water from skiing and tubing, to a peaceful cruise to be with nature. Each hull from 15' to 29' is designed and built for a smooth, fast ride with positive control and fuel efficiency. Every Key West boat meets or exceeds US Coast Guard Standards. Our philosophy has always been to build each boat to the most stringent standards for safety, structural integrity, and stability in the world today.
