- Full engine service (engine under warranty till March 2026)
- Interior detail
- Exterior Detail
- Fresh bottom paint
- New Venture road trailer

Manufacturers Provided Description

Tried and true, the venerable 237 CC gives you all you need in fishability and family cruising comfort. A stem to stern level deck, flush mount hardware, recessed bow rail, and hideaway aft bench seating provide a roomy and uncluttered fishing platform. Add to that standard features like an aerated 28 gallon livewell and two, in-deck 40 gallon fish boxes and this boat comes tournament ready.

The 237 CC's smart layout makes it just as comfortable as it is fishy. Whether sandbar hopping or going for a sunset cruise, a perfect blend of seating, storage space, and cockpit room makes for a relaxing and enjoyable experience. And like all Cobias, the 237 CC is built to ABYC standards, the highest in the marine industry, so you can be confident that there's no safer or better built boat on the water.
