- Ice Maker

## Manufacture Description

### Manufacturer Provided Description:

The Regal Commodore 4260 is the largest and most awe-inspiring yacht in the Regal fleet. She impresses both with her striking appearance and outstanding offshore performance. Capable of cruising comfortably at 25 knots, this luxurious yacht handles various sea conditions with grace. On deck, a large U-shaped seating arrangement faces the helm, and the helm itself is extra wide for two-person seating. The aft cockpit features facing bench seats, and alternate engine access is available via a walk-down ladder beneath the aft bench seat. Transom storage provides ample room for fenders, dock lines, and cleaning supplies.

In the forward stateroom, there is an oversized berth with a real innerspring mattress, hinged for easy access to a large storage area beneath. Two full-size storage drawers and a large cedar-lined hanging locker are also present. A built-in TV/VCR is located on the starboard side, and a recessed bookshelf is above the berth. Both staterooms have hardwood pocket doors for privacy and their own private heads.

The main salon features a spacious Leather Crest sofa and an advanced Kenwood stereo system with Bose speakers. The galley is beautifully proportioned with a large curved Corian counter surface, easy-access roll-out drawers, and bin storage. Standard features include a side-by-side refrigerator/freezer, microwave, coffee maker, hidden two-burner stove, and dedicated storage for dishes.

## **Mechanical Disclaimer**

Engine and generator hours are as of the date of the original listing and are a representation of what the listing broker is told by the owner and/or actual reading of the engine hour meters. The broker cannot guarantee the true hours. It is the responsibility of the purchaser and/or his agent to verify engine hours, warranties implied or otherwise and major overhauls as well as all other representations noted on the listing brochure.
