Max Draft: 5' (1.52m)
Min Draft: 5' (1.52m)
LOA: 43' 4" (13.21m)
LWL: 39' 2" (11.94m)
Cabins: 2
Sleeps: 7
Convertibles: 1
V Berths: 1
Queen Berths: 1
Head Room: 6' 3"
Heads: 2

Knots
Knots
Fuel Type: Diesel
Hull Material: Fiberglass
Hull Shape: Displacement
Hull Finish: White
Hull Warranty: None
Air Conditioning: Yes
Bridge Clearance: 60' 8"

Displacement: 22936 lbs
Fuel Tank: 51 gal (193.06 liters)
Fresh Water: 140 gal (529.96 liters)
Holding Tank: 45 gal (170.34 liters)
Imported: No
HIN/IMO: HUN4A8D405

Engines/Generators

Engine 1

Yanmar
4JH3E
Inboard
56HP
41.76KW
Fuel: Diesel
Hours: 1357
Hours Date: 04-14-2024
Year: 2005
Location: Middle

Generator 1

Fischer Panda

Summary/Description

The Hunter 44 boasts a sleek and contemporary design, with clean lines, a white hull, and a spacious deck that provides ample room for relaxing and entertaining.

Manufacturer Provided Description: The 44 Aft Cockpit Cruiser shares the same performance hull with the 44 Deck Saloon, but comes in a lower profile. The boat was drawn by noted designer Glenn Henderson and sports some rather intricate features not usually found on cruising boats of this size. First is a "Bow Hollow", which increases the flow of water in the forward sections and increases hull speed. Second is a "Stern Reflex", which allows a flatter exit wake and less turbulence. This also increases performance. Hunter has learned much from the recent IOR boats and has incorporated some into cruising boats to enhance their performance without sacrificing comfort and the ease of sailing. The 44 Aft Cockpit offers superior amenities and comfort. A unique forward stateroom layout featuring a V-berth style double bed provides plenty of space and storage. The salon is full beam and allows for entertaining and dining in grand style. Aft, is the master stateroom, which is enhanced by carrying the wide beam well aft. Inner spring mattresses are standard and the finely finished teak interior and cabinetry are first-class.

Accommodations

Main Salon

Very large and open

Large Windows on both sides

Dinette to port, converts to berth.

Large Settee to Starboard

Forward Cabin

Large V-Berth w/mattress

Seating to Starboard

The image shows a rectangular white storage compartment, possibly a bilge or engine bay access point, set into a wooden floor. Inside the compartment, there is a blue fuel tank with "West Marine" branding, a coiled metal hose, a black bag, and several clear plastic containers. A small red valve is visible on one of the hoses. The compartment has a silver-colored metal latch on its front panel.
