Accommodations

Beginning in the bow is the master stateroom. This features a full double berth, offset to starboard, with custom mattresses, sheets and comforters made in 2022. Next aft to starboard is a full hanging locker and ample stowage. Opposite to port is the private, fully equipped head. This features vanity, mirror, sink, stowage outboard and under, H&C pressure water, electric marine toilet and shower. There are numerous overhead hatches and opening ports and LED lamps, all providing light and air.

Next aft and up a few steps is the main salon. To port is a convertible dinette. This clever feature seats four people, converts to a large double berth or provides forward facing seating for guests. Opposite to starboard is the fully equipped helm station with hydraulic steering, sliding, adjustable captain's chair, complete suite of electronics, engine controls and an outboard sliding door for easy access to the starboard companionway. Next aft on this side is the inline, fully equipped galley. Finally, opposite to port is the entrance to the roomy midships cabin with large double berth, custom mattress, sheets and comforters as well as a second electric marine toilet. Privacy for this area is provided by a folding door and sliding overhead hatch.
