Experience the epitome of luxury cruising with the Sea Ray 480 Sedan Bridge, a stunning yacht that seamlessly blends style, comfort, and performance. From its sleek design to its thoughtfully crafted interior, this yacht is a testament to Sea Ray's commitment to delivering an unparalleled on-water lifestyle. Whether you're entertaining guests or embarking on extended journeys, the Sea Ray 480 Sedan Bridge offers a yacht experience that goes beyond expectations.

### **Key Features:**

1. **Sleek Exterior Design:** The Sea Ray 480 Sedan Bridge commands attention with its sleek lines and contemporary design. The distinctive profile and attention to detail create a yacht that stands out in any marina or open water.
2. **Spacious Flybridge:** The expansive flybridge provides a commanding view of the surroundings and serves as an outdoor oasis. Equipped with ample seating, a wet bar, and a helm station, the flybridge is the perfect space for socializing or enjoying the journey in style.
3. **Luxurious Interior:** Step into a world of elegance and comfort as you enter the well-appointed interior. High-quality finishes, modern furnishings, and large windows create a bright and inviting atmosphere. The saloon is designed for both entertaining and relaxation, offering a sophisticated space for guests.
4. **Masterful Accommodations:** The Sea Ray 480 Sedan Bridge features a master stateroom with an en-suite head, ensuring a luxurious retreat for the owners. Additional cabins provide comfortable sleeping quarters for guests, making it an ideal yacht for extended cruising.

5. **Gourmet Galley:** The fully equipped galley features modern appliances, ample storage, and a thoughtful layout for preparing meals onboard. Whether hosting a dinner party or enjoying a quiet evening, the galley meets the demands of discerning yacht enthusiasts.
6. **Versatile Cockpit:** The cockpit is designed for versatility, providing easy access to the swim platform and offering a seamless connection between indoor and outdoor spaces. Whether you're enjoying watersports or relaxing by the water, the cockpit is a central hub for onboard activities.
7. **Twin Diesel Power:** Powered by twin diesel engines, the Sea Ray 480 Sedan Bridge delivers impressive performance and efficiency. The yacht is well-suited for both cruising at higher speeds and long-range journeys, ensuring a smooth and powerful ride.
8. **State-of-the-Art Electronics:** Navigate with confidence using the yacht's state-of-the-art navigation and electronics systems. From chart plotters to radar, Sea Ray ensures that you have the latest technology at your fingertips for safe and precise navigation.

Indulge in the luxury of the Sea Ray 480 Sedan Bridge, where every detail is crafted for an exceptional yachting experience. Elevate your lifestyle on the water with a yacht that combines elegance, performance, and versatility. Don't miss the opportunity to own a Sea Ray 480 Sedan Bridge and embark on a journey of refined yachting.

## Manufacturer Provided Description

There's no need to travel to exotic locations to get away from it all, for in the Sea Ray 480 Sedan Bridge, there's a vacation haven right by the dock. This yacht offers plenty of luxurious living space indoors in the well-appointed cabin, and outside on the stunning command bridge, easily accessed up a molded stairway. With a fiberglass hardtop and full enclosure, the command bridge is the perfect place to entertain. Curved bench seating forward of the helm gives guests a spectacular view while they enjoy the premium Clarion AM-FM digital cassette stereo with a six-disc CD changer, subwoofer, and six speakers with cockpit remote control. Guests can stretch out and relax in the sun around a bridge cocktail table that converts to a sunpad by adding their matching filler cushions. Guests can also help themselves to food and beverages from the fully appointed wet bar - with its built in ice maker - or lounge on the forward deck sunpad. An optional bridge layout plan adds even more room for lounging with a U-shaped bridge seat with aft sunpad, and a portside helm station with dual companion seat. The console is large enough to house a tremendous amount of instrumentation, including a digital LCD systems monitor, while two captain's chairs provide absolute comfort. The captain can pilot in total confidence, too. Technical features on the Sea Ray 480 Sedan are complete with an engine synchronizer, crossover fuel and charging system, 10 kW generator with sound box, dockside power through a Glendinning cablemaster and wireless remote, plus a Raytheon electronics package. A Power Pac exhaust system with lift system mufflers helps keep engine noise to a minimum, particularly in the cabin area. Impeccably designed, the cabin affords travelers easy movement throughout with molded steps to the bridge and deck, plus convenient transom door access to the extra large swim platform. Below, there's a plush forward master stateroom with a full-size pedestal bed, enclosed gunwale cabinets, and an entertainment center with a color TV - VCR combination. There's also a fully equipped private head with a circular shower and VacuFlush toilet. The portside guest stateroom with its full-size bed, circular skylight and private head and shower is so large, the owner might be tempted to use it as the master suite. There's even a third stateroom to starboard with double bunks and a washer - dryer combination. The salon is extremely livable with an electric convertible sofa and an entertainment center equipped with a TV and VCR, Clarion AM-FM digital cassette and CD stereo with six-disc changer and six speakers. The galley is also fully equipped with a flush-mounted three-burner electric stove, microwave - convection oven, coffee maker, plus a refrigerator and freezer set under the counter. There's also a dinette for four opposite the galley. The 480 Sedan Bridge is powered by twin 582 horsepower Caterpillars (CAT3176TA) and superbly constructed with high-performance vinylester resin, 316 stainless steel bow and deck rails, and a self-bailing fiberglass cockpit with a gas-assisted bilge service hatch. Even underwater, it's protected by seacocks on all fittings and dripless shaft logs with an extra seal carrier kit. Available options run the gamut from engine and electronics packages to a lower control s
