

As with all Sundeck vessels, the configuration and design of the space and furnishings can be custom built to complement your boating lifestyle.

Following the success of the SY 580, this newly Sundeck model offers a bit more length and even more yacht-like amenities, including a spacious aft deck with generous lounging and dining areas. Seakeeper stabilization gyro and standard twin Man i6 850 hp engines provide for long-range cruising pleasure for up to 6 guests and 2 crew.
