Brokers Comments

Recent updates include bottom job (2019), all coolers removed, cleaned and tested (2020), new hoses and clamps (2020), new cushions (2020), new side curtains (2024)

This Luhrs 320 is in great shape and has been well kept by its current owner, who has owned it for 20 years.

Don't miss out on this opportunity to own the only Yanmar powered 320 open on the market!

Mechanical Disclaimer

Engine and generator hours are as of the date of the original listing and are a representation of what the listing broker is told by the owner and/or actual reading of the engine hour meters. The broker cannot guarantee the true hours. It is the responsibility of the purchaser and/or his agent to verify engine hours, warranties implied or otherwise and major overhauls as well as all other representations noted on the listing brochure.
