Summary/Description

2011 Riviera 43 Open Fly Bridge

The 43 Open Flybridge provides a perfect mix for families, addressing the needs of both fishing enthusiasts and those in search of entertainment. Utilizing IPS drives for seamless docking, it distinguishes itself with exceptional efficiency within its category. Notable attributes encompass a boarding platform, a generously sized cockpit with teak flooring for leisure or fishing, abundant storage, lounge mezzanine seating, and an impressive glass bulkhead that opens expansively, creating an inviting open-air environment for enchanting evenings.

Twin Volvo IPS 437 HP engines

Port engine - approximately 100 hours - new long block installed in 2021

Starboard engine - approximately 2,500 hours

11.5 KW Onan generator - approximately 6,000 hours
