## Summary/Description

This traditional Ted Gozzard designed vessel has a classic clipper bow and sprit. She's a great offshore boat with a full keel shallow draft.

Just recently hauled out for maintenance with bottom paint, prop and zincs replaced 3/20/24. Currently in the water at St John's Marina ready to go. With an Air-draft of only 44' and 3.8' keel there is whole world of places you can visit that others can't with an equivalent sea going vessel. Owner has enjoyed and lived aboard S/V Thousand Island for years but recently upgraded to a larger vessel. Are you ready for an adventure?
