Data Sheet

Category: Motor Yachts
Subcategory: Antique and Classics
Condition: Used
Model Year: 1969
Beam: 15'1" (4.60m)
Max Draft: 4' 6" (1.37m)
LOA: 58' (17.68m)
Cabins: 3
Sleeps: 6

Knots
Knots
Fuel Type: Diesel
Hull Material: Other
Air Conditioning: Yes
Bridge Clearance: 16' 3

Dry Weight: 61450 lbs
Imported: No
HIN/IMO: 518374
In Stock: Yes

Engines/Generators

Engine 1

MAN
Inboard
800HP
596.56KW
Fuel: Diesel
Hours: 1200

Engine 2

MAN
Inboard
800HP
596.56KW
Fuel: Diesel
Hours: 1200

Generator 1

Northern Lights
Hours: 1350

Summary/Description

The 'Susan Lee,' a venerable presence in the Great Lakes yachting community, boasts a rich history and a meticulously maintained profile. Repowered with Twin 800 MAN diesels featuring a mere 1200 original hours, this classic vessel underwent a comprehensive refit in the 1990s.

The 'Susan Lee,' a venerable presence in the Great Lakes yachting community, boasts a rich history and a meticulously maintained profile.

Repowered with Twin 800 MAN diesels featuring a mere 1200 original hours, this classic vessel underwent a comprehensive refit in the 1990s. The original 12-cylinder 2-stroke Detroit Diesels made way for the powerful 800 HP MAN engines, custom-fitted with v-drives, shedding weight from the engine room and enhancing the Quadraconic hull's performance.

Distinguished by its distinctive design, the 'Susan Lee' stands apart from the typical model lineup with its graceful lines and a departure from the boxy aesthetic. The yacht's allure is heightened by numerous 'commercial/military grade' upgrades rarely found on pleasure boats, adding a touch of mystique.

Equipped with an extensively updated electronics package and featuring a three-stateroom/three-head layout, this vessel offers a blend of elegance and functionality. The meticulous care bestowed upon it by its devoted owner is evident in the custom features integrated throughout.

With a cruising speed of 25 knots, the 'Susan Lee' effortlessly glides through the water, ensuring a comfortable journey to any destination. Having graced the Great Lakes since 1983, this yacht is a true spectacle on the water, turning heads with its timeless charm and commanding presence.

Notable features and options:

- Twin MAN 800 H.P. engines with 1200 hours
- Northern Lights generator with 1350 hours
- Kobelt air shifters
