Location: Starboard

Summary/Description

Beautifully maintained Cruisers Yachts 338 CX, heavily upgraded from the factory with custom touches throughout, low original owner hours, indoor stored for winter months, superb interior layout, Axis joystick control, the list goes on!

The Cruisers Yachts 338 is one of the absolute best day-boat layouts available, packed with creature comforts and upscale finishes that would please the most discerning buyer. This particular 338 has been lovingly maintained and being offered by her original owner who is shifting their boating style. She is a rare stern drive version which has the extended swim platform option, and in our opinion offers much more space for water-sport activities vs the outboard versions of these boats. You owe it to yourself to take a look, give us a call today!
