Summary/Description

100% Freshwater low hour vessel, updated Garmin electronics suite, joystick control, cockpit air, hydraulic platform, all sought-after options!

100% Freshwater low hour vessel, updated Garmin electronics suite, joystick control, cockpit air, hydraulic platform, all sought after options!

It's no secret that the Sea Ray Sundancer lineup has proven to be one of the most popular models, and the 470 is no exception. Her stylish exterior, spacious layout and opulent interior accommodations rival that of a much larger vessel and she turns heads everywhere she goes.

This particular 470 has been lovingly maintained by her two owners and it shows throughout. She is sporting all of the noteworthy options that the educated Sundancer buyer is looking for and a new owner can turn the keys and take off to any destination of their choice.
