2006 Silverton 43 Sport Bridge

Maintained in bristol condition and skillfully operated by an experienced captain, this freshwater Silverton yacht epitomizes nautical excellence.

Notable features:

- Newer Garmin chart plotter
- New Raymarine autopilot
- Full bridge enclosure with polycarbonate panels

What Silverton refers to as an "American arrangement" is the foundation of the Sport Bridge concept. This translates into open space, large comfortable seating and a foot-friendly traffic pattern that makes moving about the boat easy. Silverton's clever "SideWalk" design allows for a full-beam main cabin without compromising access fore and aft. These are essentially side decks, integrated into the styling, that join the bridge deck and the foredeck.
