The Axopar 22 T-Top introduces an additional layer of functionality to the Axopar 22 series. With its sleek design, this T-Top model enhances the overall handling and performance of the Axopar 22 range, setting a high standard in the market. Moreover, it offers a compelling combination of impressive features and competitive pricing.

Engineered to ensure that it doesn't compromise the excitement and pure enjoyment of an open boating experience, the Axopar 22 T-Top elevates the ownership journey. The T-Top roof, designed to withstand various weather conditions, consists of a fixed canvas top encased in a durable GRP surround. This assembly is attached to a stylish, inclined black painted aluminum targa-frame, enhancing the overall aesthetic appeal of the boat.
