Bluewater Sportfishing 23T

Mercury 300Hp

The Bluewater 23T is designed specifically for passionate anglers, offering exceptional stability and performance, even in challenging conditions.

With all the essential features, this 23-foot boat provides a spacious cockpit that caters to both fishing and cruising enthusiasts.

Considered the ultimate fishing companion, the 23T boasts a well-organized layout with ample storage for tackle, rods, and gear, making it a practical choice for anglers. The concealed bucket storage rack below deck is perfect for storing cast nets or a convenient five-gallon pail.

Customization lies at the core of the 23T experience.

This adaptable vessel can be personalized to meet your specific preferences and requirements, ensuring that you obtain the boat you've always envisioned for your water adventures.
