Summary/Description

The new Crossover that challenges convention in both looks and onboard functionality bringing a new era to all-weather boating.

Arriving In June: Pan Handle / Ref: 240612

Axopar 37XC Cross Cabin

Twin Mercury 350Hp V10

****Trailer Not Included****

The new Crossover that challenges convention in both looks and onboard functionality bringing a new era to all-weather boating.

This model combines the functionality, ease of movement, social outdoor and indoor spaces and versatility of outboard walkaround centre-consoles with a spacious, fully enclosed weather proofed cabin, that with distinctive looks challenges traditional perceptions of cabin boats.

We consider the 37XC to be the Gran Turismo of the seas opening a world of possibilities for safe, extended voyages in comfort even in unpredictable weather.

***Please note, stock images are used. Some features depicted may not be included.**
