Available In Store: Pan Handle

Sea Pro 208 Bay

Suzuki 175Hp

The Sea Pro bay boat has quickly risen to prominence in the industry with its diverse range of sizes and models. Each boat is meticulously designed to strike a perfect balance between serious fishing functionality and enjoyable family outings.

Featuring spacious and insulated storage, abundant livewells, and ample rod holders on the large bow and stern casting decks, along with convenient lockable rod boxes accessible without boarding the boat, Sea Pro ensures a seamless fishing experience. The in-floor lazarette behind the leaning post provides easy access to critical components while maintaining optimal weight distribution for superior ride characteristics.

Sea Pro's signature sharp bow entry and "Carolina flare" design guarantee dry and comfortable rides even in rough choppy waters, ensuring an enjoyable day of fishing or boating. With various seat configurations, including stowable and removable options, Sea Pro allows you to customize your boat setup according to your family's needs for each outing.

Loaded with standard features like power-assist steering, premium sound systems, 24/7 monitoring via your cell phone, and Simrad electronics, Sea Pro simplifies your choice by offering models that cater to your specific needs and preferences.

Standard Features

- Simrad touchscreen electronics
- Sea Star power assist tilt hydraulic steering (150 HP and bigger)
- Sea Pro Connect by Boat Fix
- Audison Audio
- Dual battery switch w/ACR
- Raw water washdown
- Half swim platform w/3 step telescoping ladder
- Lockable rod storage
- Trolling motor plug w/harness
- Compass
