## Summary/Description

2023 Custom ALMINUS RAY Pilothouse - NEW Rugged Aluminum 25ft Available. Aluminus Ray boats can also be built to order!

WOW! We have an exclusive introduction of the Aluminus Ray 25 Pilothouse! In stock and ready to be shown!!

ALMINUS RAY is a newcomer to aluminum boat building in the US. AluminusRay is a registered manufacture in the state of Virginia. We custom build any type of aluminum boat with length from 17-30ft. Our boat is built with marine grade aluminum 5083 that would last for generations with properly maintenance. Our manufacture process is very efficient to keep the cost down. Everything is CAD design and hatch out on 3D model before it is precisely cut on CNC machines, then being hand welded by many years of experience welding team. Our boats are only comprised of all aluminum and stainless components to prevent rust from salt water.

The first ALMINUS RAY is on display and shown by appointment in our courtyard at the marina! Please call ahead - we want to allot the time to properly show the boat and answer your questions.

## 250 XL S (In Stock) Features

Powered by a SUZUKI 350 - Dual Prop - color matched to the boat in black/gray.

Standard features include a long list....will follow shortly!

Factory options are already included in our preliminary package, list to follow shortly!
