General

The Dynamic 305V has quickly become a legend of its own. Knife like 9' beam combined with our semi-step hull with a vented Delta plane, weight saving construction technologies and high-tech materials, the 30' 305V is a game changer. This boat is exceptionally dry due to her sharp entry and reverse angle chines, and easy enough to operate for 1 person or bring along 12 of your closest friends. The world's Oceans, Bays, Lakes and Rivers become your playground to explore on this purpose built Dynamic. We have the ability to fully customize your 305V with performance and luxury options,

both on new construction hulls or making that personalized adjustment on this specific 305V.

Design

The 305V can be designed any way you choose. This boat makes a Dynamic statement with the upgraded premium upholstery, custom foam decking, a console with a full 22" screen w/ FLIR night vision camera. Interior cabin has an Electric toilet and fresh water sink with lighting. All of this accented by the amazing Lumitec lighting package all RGB controlled by the Poco system through the MFD.

These boats are FULLY CUSTOMIZABLE.

Layout

Dynamic offers a variety of seating options on the 305V. In the bow, a dual bench Fiberglass seats with a fully flush cabin hatch that turns into a sun-pad or a platform, it makes the ultimate utility for any day on the water. Equipped with full beam seating in the aft, leaning post Yeti 45 cooler, and SEAKEEPER RIDE system. You can fit the whole family and friends, or use the versatile layout and features day or night to fish, cruise around, island hop, commute and so much more!

Performance

This boat is powered by Twin Suzuki 300 motors mounted on Jack plates, the boat is propelled to speeds approaching 60+MPH with fuel efficiency of over 1.4 miles per gallon at 30MPH. Maneuvering this boat is a breeze with the Optimus Joystick system and the ride is second to none thanks to our design. Installed with the SEAKEEPER RIDE automated trim system to amplify the ride quality and comfort.
