General

The Dynamic 305DF has quickly become a legend of its own. Knife like 9' beam combined with weight saving construction technologies and high-tech materials, the 30' 305DF is a game changer. This boat is exceptionally dry due to her sharp entry and reverse angle chines, and easy enough to operate for 1 person or bring along 12 of your closest friends. The world's Oceans, Bays, Lakes and Rivers become your playground to explore on this purpose built Dynamic. We have the ability to fully customize your 305DF with Fishing, performance and luxury options, both on new construction hulls or making that personalized adjustment on this specific 305DF.

Design

The 305DF can be designed any way you choose. This boat makes a Dynamic statement with the upgraded premium upholstery, custom foam decking, a console with dual 19" screens screen w/ YachtSense switching. Interior of the console has an Electric toilet with lighting and full access to the wiring behind the console. All of this accented by the amazing Lumitec lighting package all RGB controlled by the Poco system through the MFD.

These boats are FULLY CUSTOMIZABLE.

Layout

Dynamic offers a variety of options on the 305DF. In the bow there is a longer for 2, removable dual bench seats in the boat (optional) with an integrated casting platform with live wells in the transom that can double as additional lounging space, it makes the ultimate hybrid for any day on the water. Equipped with flip up seating in the aft, leaning post Yeti 45 cooler and trash compartment, and SEAKEEPER RIDE system. You can fit the whole family and friends, or use the versatile layout and features day or night to fish, cruise around, island hop, commute and so much more!

Performance

This boat is powered by Twin Mercury 300R motors mounted on Jack plates, the boat is propelled to speeds approaching 60+MPH with fuel efficiency of over 1.8 miles per gallon at 30MPH. Maneuvering this boat is a breeze with the Optimus Joystick system and the ride is second to none thanks to our design. Standard equipment installed with the SEAKEEPER RIDE automated trim system to amplify the ride quality and comfort.
