Summary/Description

1989 Somerset 6414 Aluminum Houseboat - Ultimate on the water lifestyle! Features include 6-person hot tub, wet bar with taps, Direct TV, forward & aft thrusters, back-up camera, awning on bridge deck, and more luxury features! CALL NOW!

Introducing the Exquisite 1989 Somerset 64' x 14' Yacht - A Masterpiece of Luxury and Refinement!

Prepare to be captivated by this remarkable vessel, where every detail has been carefully curated to offer an unparalleled experience. Powered by twin 5 liter 210HP Volvo AQ211 engines, with only 500 hours after rebuilds, this yacht delivers impressive performance. The 14KW Westerbeke Generator, a mere 6 years old with approximately 1800 hours, ensures seamless power supply for all your onboard needs.

Step aboard and be greeted by a level of luxury that surpasses even the newest boats. The flybridge, complete with full controls and two large dock boxes, provides commanding views and a space to relax and entertain and enjoy the large awning on top to escape the Florida Sun and enjoy a 6 person Hot Tub. With front and rear hydraulic thrusters, maneuvering is effortless, offering complete control and peace of mind. The yacht has been treated to new bottom paint, giving it a fresh and polished appearance.

Both inside and out, this vessel boasts a stunning remodel that exudes sophistication. Meticulously maintained by its one owner, it showcases an impeccable level of craftsmanship and attention to detail. The helm stations are equipped with GPS/depth finders, while a rear backup camera enhances safety and convenience. Enjoy your favorite tunes with the massive stereo system, seamlessly integrated into both the indoor and outer decks. The yacht is Direct TV King Dome ready/installed, ensuring you never miss your favorite shows while on the water.

Indulge in the ultimate entertaining experience with a built-in sidebar, complete with a liquor on tap system. An ice maker and drink cooler add to the convenience and enjoyment. The blue LED lights under the rear and front decks illuminate the water, creating a captivating ambiance. Overhead, the same LED lights grace the decks, adding a touch of elegance and style.

The marine head Electra system eliminates the need for pump-outs, ensuring hassle-free maintenance. The large inverter system, powered by 12 AGM batteries, provides reliable and efficient power distribution. 12V fans in all berths ensure comfort and convenience for all occupants. The hot tub, a luxurious addition, is ready for your relaxation and enjoyment. A well-appointed bar with a sink completes the space, offering a perfect spot for socializing and creating lasting memories.

Viewings are available by appointment only. Located at Holly Bluff Marina in Deland, FL, we take pride in being a trusted dealer for Volvo and Westerbeke Generators. This yacht has been lovingly kept in the freshwater St. Johns Marina, maintaining its pristine condition.

Don't miss the opportunity to own this exceptional yacht, meticulously designed to surpass expectations. Contact us today and make your dreams of owning a luxury yacht a reality.

Mechanical Disclaimer

Engine and generator hours are as of the date of the original listing and are a representation of what the listing broker is told by the owner and/or actual reading of the engine hour meters. The broker cannot guarantee the true hours. It is the responsibility of the purchaser and/or his agent to verify engine hours, warranties implied or otherwise and major overhauls as well as all other representations noted on the listing brochure.
