Location: Starboard

Generator 1

Kohler
15 OEZD

Summary/Description

This highly desirable, Cantius 48 combines luxurious accommodations, high-level engineering, world-class craftsmanship, and a ride that is second to none. JOY RIDE is in BRISTOL condition, tricked out with all of Cruisers Yachts' bells & whistles, making her turnkey ready for the most discerning and fortunate new owner.

This highly desirable, hard-to-find Cantius 48 combines luxurious "best in class" accommodations, high-level engineering, world-class craftsmanship, and a ride that is second to none. The Cantius line debuted in 2011 with the launch of the Cantius 48. This series represents Cruisers Yachts' dedication to building yachts that are comfortable, safe, and perfect for family outings or entertaining. Cantius models are known for their well-appointed sophisticated exteriors and incredibly spacious open-concept living spaces. **JOY RIDE's** fully enclosed helm, hardtop with a sliding sunroof, U-shaped cockpit that converts to a sun lounge, wet bar with fridge & icemaker, BBQ grill, shower, and hydraulic swim platform takes a magic day on the water to a whole new level. She is powered by a 2013 Volvo Penta IPS600 diesel 435hp engine with just under 1100 hours. IPS joystick maneuvering puts handling and docking easy and literally at your fingertips. With an average fuel economy of 15 gallons per hour, and 7 to 9 gallons per hour at cruise speed, she exhibits consistent fuel efficiency. She is equipped with a full suite of Raymarine electronics, digital depth finder, full instrumentation, and 2 Volvo Penta 7" Color Monitors.

JOY RIDE's integrated upper and lower salons offer a fluid layout inviting beautiful natural light throughout. Both salons have custom upholstered settees. There is an iPod Auxiliary Jack-Stereo in the upper Salon (AM/FM CD/DVD MP3/iPod/SAT Adaptable), a 32" LCD & DVD Player in the lower salon, and remote speakers in both salons and the helm. Belowdecks, the Galley has Corian countertops, a double sink, Vitrefrigo refrigerator and freezer, Euro Kera 2 burner electric stove, a Couture microwave/convection oven, and L-shape dinette that converts to a berth, and plenty of storage. Accommodations include a master stateroom aft with walkaround queen berth ensuite head and shower, and washer/dryer. Forward there is a queen island berth ensuite shower and head. There are cedar-lined hanging lockers forward and aft, cherry accents throughout the interior, and a synthetic teak and holly sole in the upper and lower salons.

JOY RIDE has been meticulously maintained and loved by her current owners. She is in BRISTOL condition, tricked out with all of Cruisers Yachts' factory options, making her turnkey ready for the most discerning and fortunate new owner.

Owner's Remarks

- Exceptionally roomy with multiple seating/social areas
- Very private and spacious staterooms and en-suite heads
- Well laid out galley with great storage and dual bowl stainless steel sinks, large refrigerator, flatscreen tv, adjacent dining area and big windows
- Very bright and spacious main salon with big glass sunroof, flat screen tv, bar and bar sink, ocean air shades on all windows and doors, and beautiful floor to ceiling sliding glass doors to cockpit.
- Exceptional visibility and well laid out instrumentation and controls
- Large cockpit with snap in outdoor vinyl flooring in cockpit and stairs to swim platform
- Cockpit includes built in grill, refrigerator and ice maker
- External stereo speakers have their own control.

Remarkable engine room with easy access to all systems and amazing headroom

Great handling boat with average fuel economy of 15 gallons per hour. At cruise speed it consistently provides .7 to .9 gallons per hour efficiency.

Disclaimer

The company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change or withdrawal without notice.

Mechanical Disclaimer

Engine and generator hours are as of the date of the original listing and are a representation of what the listing broker is told by the owner and/or actual reading of the engine hour meters. The broker cannot guarantee the true hours. It is the responsibility of the purchaser and/or his agent to verify engine hours, warranties implied or otherwise and major overhauls as well as all other representations noted on the listing brochure.

CPYB

Represented by a Certified Professional Yacht Broker (CPYB)

A Certified Professional Yacht Broker (CPYB) is recognized as having achieved the highest level of industry accreditation, available only to fully-qualified yacht sales professionals. The CPYB program is administered by Yacht Brokers Association of America in partnership with Florida Yacht Brokers Association, Northwest Yacht Brokers Association, California Yacht Brokers Association, Boating Ontario Dealers, British Columbia Yacht Brokers Association and Gulf Coast Yacht Brokers Association.

The CPYB program is also endorsed by the Marine Retailers Association of the Americas (MRAA) Marine Industry Certified Dealership (MICD) program and leading yacht manufacturers as a key component of their own industry standards; the highest level of achievement for their member yacht sales professionals.

Experience & Validity

The CPYB designation is earned by eligible yacht sales professionals, who, after serving a minimum of three years as a full-time professional, have successfully completed a comprehensive written examination to validate professional competency.

Continuing Education

A CPYB is committed to their personal and professional development through continuing education, as mandated for CPYB recertification every three years.

Ethics & Standards

A CPYB adheres to, and is accountable to, a nationally recognized Code of Business Ethics and conducts yacht sales transactions in accordance with a stringent set of industry standards of practice.

Fiduciary Responsibility

A CPYB maintains a dedicated escrow/trust account to protect their client's funds. A CPYB understands their fiduciary responsibility and obligations with respect to client funds.

Transaction Management

A CPYB uses proven, industry-recognized transaction documents, which fully and clearly describe all terms and conditions of a transaction.

Honesty & Integrity

A CPYB maintains the highest standards of professionalism, acting with honesty and integrity.

Trust & Confidence

A CPYB instills confidence, trust, and consistency in all transactions involving fellow yacht sales professionals for the benefit of the client.
