Summary/Description

The Ocean 48 Super Sport is well known as a popular sportfishing vessel that combines rugged blue-water construction with performance, speed, range, and luxurious accommodations.

Designed by well-known marine architect Dave Martin, more than 400 Ocean 48's were produced from 1986 through 2003 with a strong following consisting of both dedicated offshore anglers and serious cruisers. She is powered by twin Caterpillar 3196 660 hp diesels with 3900 hours. She has a fully Eisenglass enclosed flybridge with a hard top, 360 degree visibility, two captain chairs at the helm, a wet bar, and plenty of bench seating. **GREAT WHITE's** cockpit is off-the-hook with fishing upgrades including a custom tuna table/fish cleaning station, custom livewell built into the deck, outriggers, 6 rocket launchers aft, and plenty of lure and gear storage. She is equipped with a Westerbeke Generator with 642 hours, a VHF, a 2022 Garmin GPS/depth sounder/radar, a Raymarine GPS, and SIMROD Autopilot.

With a 16' beam, **GREAT WHITE's** Main Salon is incredibly spacious with plenty of natural light, an L-shaped settee that converts to a full-size berth, a teak coffee table, a Sharp flatscreen TV/VCR/Bluetooth, and a wet bar with sink, icemaker, and fridge. The Galley has a teak & holly sole, Corian countertops, a sink, a 4-burner Gaggenau electric cooktop, SUB-ZERO under-counter fridge & freezer, and a SHARP microwave/convection oven. She comfortably sleeps 6. Accommodations include a Master Stateroom with walkaround queen berth, ensuite head with stall shower, a flat-screen TV, and hanging lockers.
