12KW
Hours: 2471

Summary/Description

1986 44 Viking powered by 671 Johnson and Towers Detroit Diesel inboards with 1929 original hours and a Westerbeke generator for a power plant. This 44 has a wonderful 2 stateroom galley down dinette down.

1986 44 Viking powered by 671 Johnson and Towers Detroit Diesel inboards with 1929 original hours and a Westerbeke generator for a power plant. This 44 has a wonderful 2 stateroom galley down dinette down. Her enclosed aft deck has EZ2YC enclosure panels which are made of the top of the line thickest plastics and provide great durability and great visibly and easy to clean. *Mary Katherine* is in need of some improvements. Her current owner purchased her in 2014 and brought her back from the Great Lakes. Having been berthed in fresh water for much of her life she has aged gracefully. Seller is motivated as he can't do the things he once was able to do. See descriptions for more detail.
