Loaded with options and features like an electrically actuated roof above the cockpit. A favorite feature of this boat is "Beach Mode" which expands the width of the cockpit deck creating more space for al fresco entertaining. When activated, two fold-out terraces greatly enhance the entertainment space in the after section of the main deck. A fully integrated galley is located on the main deck allowing the chef to remain a part of the party while preparing delicious meals for the guests. An amidships master is extra spacious thanks to its placement at amidships, which allows the stateroom to take full advantage of the yacht's beam. Factory installed options include both Comfort Pack and Luxury Pack. Extended warranty through Galeon Premium Marine Protection which is transferrable to the new owner of this vessel and will remain in effect until April 28, 2028.

Chosen as a winner of 2021 Boating Industry Top Products Awards.
