Sea Ray's 390 Express Cruiser was one of the company's most popular models of all time. From it's long foredeck to the sporty cockpit arch and aft swim platform, this express cruiser in an eye catcher.

Powered by twin 454 Crusader engines and Westerbeke Generator.

The cockpit has plenty of seating from the aft bench seat and aft facing seats to the forward facing helm seat and passenger bench seat.

The interior is well finished and very light. As you walk down the companionway steps you enter the large salon with an L-shaped couch, table and Bamboo hardwood flooring. The galley includes a large fridge and freezer, dual sinks, 3-burner stove, and microwave. There is also a small bar section with two stools just forward of the galley.

Accommodations include a lateral cabin with 2 bunk beds, and a master stateroom in the v-berth with queen size bed.
