Fresh bottom paint and polish. **Seller open to discussion regarding delivery. Trades Welcome**

The Back Cove 33 Hard Top Express is a much sought after cruiser for couples who are looking for comfort and performance. Comfortable seating above and below decks, a large berth, head with separate shower and a workable galley, make this a wonderful compact cruising vessel. Access to the cockpit is easy as is movement around the deck.

The Back Cove 33 is a larger yacht with the same simple features, usability and maintenance which have built the popularity of the Back Cove brand. Below deck is open and very comfortable with 6'5" headroom. Forward you will find a large vee-berth which is 7' long by 7' wide at the aft end and is large enough for the crew to sleep fore and aft or athwartships. Without the filler cushion, the V-berth makes 2 comfortable single berths. Portside is a convertible L-settee with a beautifully inlaid salon table. To starboard we created a large head with electric flush toilet & separate stall shower. There is plentiful storage below, a large hatch above and opening portlights.

On the helm deck, a full galley stretches out aft of the helm seat and to port is a dinette where four adults can sit to enjoy a meal. Forward of the dinette, a double mate's seat is a comfortable perch for the navigator. The helm deck is airy and bright with overhead hatches, opening side windows and a center opening windshield. A Stidd helm chair provides comfort for the helmsman underway. In her cockpit a large bench seat allows comfortable lounging while underway or when anchored in a peaceful cove. Engine access is extraordinary, as the helm deck, including the port side dinette, raises to expose the yacht's mechanical systems.

With a NEW upgraded 480HP Yanmar diesel which provides great power for this boat, very efficient and economical to run.

This is your window of opportunity.... don't delay booking your private viewing!

Full Details

Dimensions:

LOA: 34 ft 8 in

Beam: 12 ft 0 in

Draft: 3 ft 1 in

Dry Weight: 16,000 lbs
