The Robalo R230 is designed to satisfy all of your fishing and performance needs. Outfitted with Hydro Lift multi angle hull design, horizontal tubed rod storage, SeaStar tilt hydraulic steering, and a 25 gallon live well. The R230 is perfect for those with the desire for endless possibilities.

Enjoy easy access to the batteries and all onboard electrical systems. The starboard swim platform features a telescopic ladder with a top-rung grab handle that stows out of the way in its own compartment. Non-skid surfaces and a stainless steel grab handle are safety extras you'll appreciate. All of our models feature state of the art circuit breakers designed with you in mind. These water-resistant breakers are located in order to be easily reached while on the water. No more fumbling with fuses while fishing, simply reset the breaker and you are back in business!
