The Monterey 335SY brings unparalleled performance to the water without sacrificing luxury and comfort. A generously sized helm area, spacious seating arrangements for passengers, and an integrated entertainment center help to make the 335SY the perfect platform for entertaining. Below deck the well accommodated and roomy cabin accommodations allow you to reach distant destinations in total comfort.

This Monterey 335 still looks like it should be sitting on a showroom floor! With very little use since new, and with the options list almost tapped out, you will have trouble finding a comparable sized vessel that offers the same level of luxury and amenities while on the water!
