Engine 1

Cummins

6CTA 8.3 M2

Inboard

400HP

298.28KW

Fuel: Diesel

Hours: 2600

Engine 2

Cummins

6CTA 8.3 M2

Inboard

400HP

298.28KW

Fuel: Diesel

Hours: 2600

Summary/Description

Unbeatable Size!!

An innovative yacht when she was introduced in 1994, the 4000 Express was the first mid cabin design ever built by Tiara. With her sleek profile, lush interior and wide-open cockpit, the 4000 became a popular model during her production years in spite of a seriously upmarket price. With her wide 14'6" beam, the accommodations are spacious for a 40-footer. A huge salon lounge will seat a small crowd around the extendable table, and the open galley includes a separate freezer and tremendous storage. Both staterooms define Tiara luxury, and the mid cabin area has a full 7 feet of headroom and a small head hidden beneath a cushioned seat. Twin transom doors lead down to the extended swim platform, and built into the transom is a large, hydraulically opened storage trunk. The center section of the cockpit sole lifts for engine access.

For those with a discriminating taste, the Tiara is well known as a high quality vessel. Only the finest. The vessel has been very well maintained - if she needed it, she got it.
