Summary/Description

Sometime in 2003, Sea Ray updated the 340 to the new sleek layout of the mid 2000's.

Sometime in 2003, Sea Ray updated the 340 to the new sleek layout of the mid 2000's. While the hull number of this vessel end in 03, some might call it a 2003 & 1/2 as it represents the updated version as opposed to the older layout you will find on websites like boat-test or even in the Sea Ray literature. We are marking it here as a 2004 to avoid any confusion with the older style and layout.

This *freshwater only* 340 Sundancer is ready for a new home! With low hours and very little wear a tear, this could be the one you've been looking for! MAJOR POWER UPGRADE TO TWIN MERCUISER 496 MAG'S. She pops up on plane faster then the other 340's on the market and we had her running over 37 knots.
