Summary/Description

LOCATION: GANANOQUE, ON This wide-beam 33-foot sport cruiser gets you port-to-port in luxurious comfort. Convertible seating in the lower cockpit lets you configure for open deck space or abundant seating. There is an extended, full-width swim platform and a walk-through gate to the cockpit. The sta

This wide-beam 33-foot sport cruiser gets you port-to-port in luxurious comfort. Convertible seating in the lower cockpit lets you configure for open deck space or abundant seating. There is an extended, full-width swim platform and a walk-through gate to the cockpit. The standard sport arch is designed for easy rigging of radar and antennas. When it's time to head below deck, you'll find everything you need to kick back. The galley is dressed in rich cherry cabinetry, with Granulon counters, a durable woodgrain/carpeted floor, a two-burner cooktop, microwave and refrigerator. There's also a wood tambour door covering the coffee compartment and a cooktop cutting board. The mid-cabin area opens to the main cabin for easy access, with plenty of headroom while seated for comfortable dining or game-playing. The head features a separate shower, plus sink and vanity. A 15-inch flat-screen TV with DVD player is mounted on the forward bulkhead.

This Larson 330 Cabrio is suited up and ready to hit the water for 2024! With a fresh buff and wax done in 2023, and an available survey and mechanical inspection from 2022, there is no reason why this isn't the answer to get you on the water for next season and at ease! The new Seadeck flooring has been installed on the extended swim platform and throughout the cockpit and it looks fantastic! Book your private showing today!
