Summary/Description

Transferable moorage available!

Transferrable Moorage at the Palms Marina in Nanaimo!

This Bayliner motoryacht is a great boat with an extraordinary amount of room and is great for cruising. One of the best things about it is that the staterooms are on opposite ends of the boat, each with their own heads which provides really good privacy. It's hard to beat the amount of space Bayliner engineered into a 43' boat. The two Hino Diesel engines run very well, along with the rest of the mechanical and electrical equipment. Don't miss out on this opportunity to move into a sought after motoryacht with prime moorage in Nanaimo.
