The Grady-White 330 Express is an angler's dream. Ideal for sport fishing and fishing charters, this vessel is turn-key and ready to go. This boat spends her winters in covered and heated storage and is cared for extensively by her current owners. Along with the hull and interior condition being great, her 350 hp engines have a ton of life left in them and 3 years left on their Suzuki warranties. At the helm, there are two 12 inch Lowrance displays, Furuno radar, two ICOM VHF's, bow thruster, SIMRAD autopilot and much more. She is ready for her next owner, and comes with two high performance electric downriggers and two custom rod holders. Inquire today for more information. Full details below.
