The Cruisers Yachts 3470 is a versatile express cruiser with a great layout and design. It's a great size for both day trips and extended travel. The two large berths are comfortable and give enough space for two couples or a family. Everything you need is packed into this 34' vessel and the raised helm gives you a lot more room in both the cockpit and the aft cabin. Come see this boat today as she won't last long!
