This is the best equipped Bayliner 242 Classic available. Hell on Reels is in pristine condition, and has been customized throughout for added function and comfort. Building off of the great layout of a 242 Classic, this boat performs better than any other within its class. The upgraded swim platform is a game changer for fishing trips, and the radar and chart plotter combos complete the experience that rivals premium fishing vessels. In between bites, Hell on Reels is comfortable in any weather conditions. Heat and AC keep the cabin temperate, and the large v-berth and stand up head make extended trips possible. This vessel is a must see, and swings way above its weight at the asking price. See the complete spec list for all the details.
