Summary/Description

Mayu is a robust Bluewater cruiser that is in great condition. The timeless design and expert build quality of Uniflite have the Valiant 40 turning heads at every marina. Check out the full details below to see why Mayu is an excellent opportunity.

The Valiant 40, a classic sailboat first introduced in 1976, is renowned for its robust construction, seaworthiness, and performance. Designed by Robert H. Perry, this cruiser embodies the essence of bluewater sailing, ideal for long-distance voyages and offshore adventures. With a length overall of approximately 40 feet, a sturdy fiberglass hull, and a moderate draft, it strikes a balance between stability and maneuverability. Its spacious interior layout offers comfortable accommodations for extended cruising, including a well-equipped galley, cozy sleeping quarters, and ample storage space. The Valiant 40's timeless design, coupled with its reputation for reliability and durability, continues to attract sailors seeking a capable vessel for exploring the world's oceans.
