TWIN MERCUISER 8.1L - 750HP - GENERATOR - AIR CONDITIONING & HEAT - FULL CAMPER ENCLOSURE

Regal quality built into one of the best 35 foot cruisers out there! In a market crowded with midsize family cruisers, the Regal 3560 Commodore (called the 3760 Commodore in 2007-10) ranks near the top in luxury, performance, and quality. Regal sold a lot of these boats.

This Commodore's spacious interior is a blend of high-gloss cherry joinery, Corian counters, and leather upholstery offering a level of comfort and elegance found in the finest European sport yachts. A solid wood pocket door ensures privacy in the forward stateroom, and the salon flows seamlessly into the midcabin creating a wide-open area for entertaining.

THESE BOATS ARE FAST! Not many 35 foot cruisers will top out over 40+ knots (75 KPH) with a happy 28 Knot (50 KPH) cruise but these boats are packed with the big blocks and will out perform most others in the size range. This is a fun boat!
