ONE OWNER, FRESH WATER, NEW UPHOLSTERY, WELL MAINTAINED

Designed for comfort and ease of operation, the 321 provides the perfect accommodations for a family or a couple cruising with friends. Step aboard through her open transom where you are greeted by a spacious cockpit which is ideal for lounging and open-air fun. Below the companionway, you will find a luxuriously appointed interior with more space than you would ever expect on a yacht her size. The generous main salon, brightly lit from numerous ports and hatches, is bathed in warm wood tones and provides more than enough room for lounging and dining.

Her cabins are meant for comfort with an open and airy V-berth forward and a master aft with a full-beam, enormous sleeping area. She is also outfitted with air conditioning for those hot and sultry evenings. Sailing the 321 is, in a word, simple. She is designed for short or single-handed sailing with pedestal-mounted electronics and all lines led to the cockpit.
