Summary/Description

Produced from 1982 - 1990, the 40 Aft Cabin was a big seller for Silverton. With a solid fiberglass hull, she has easily outlasted many of the cored hull designs that followed, and her wide, 14' beam adds great stability when the going gets rough.

GREAT LIVE ABOARD, UPGRADED FINISHES, CUSTOM DAVITS, LOW HOURS

Produced from 1982 - 1990, the 40 Aft Cabin was a big seller for Silverton. With a solid fiberglass hull, she has easily outlasted many of the cored hull designs that followed, and her wide, 14' beam adds great stability when the going gets rough. The interior layout is roomy with wrap-around windows for great natural lighting and visibility and rich, teak cabinetry throughout. Both heads have separate shower stalls, and the stepped-down galley is well equipped with full-size fridge/freezer, stove and oven.

WELL MAINTAINED LIVE ABOARD
