Summary/Description

Step into a realm of maritime elegance with the Hyundai Concept, a meticulously crafted racing/cruiser that doesn't just sail—it dances on the waves.

This well-kept vessel is now available at the revised price of just 89,995 CAD! With over 175,000 CAD invested over the current owner's tenure, this Concept will present immense value for her new captains!

Step into a realm of maritime elegance with the Hyundai Concept, a meticulously crafted racing/cruiser that doesn't just sail—it dances on the waves. This vessel, built in 1982 but reborn through a recent extensive refit, is more than a boat; it's a adventure waiting to unfold. Immerse yourself in the joy of sailing with confidence, knowing it boasts brand new North sails – Main, Genoa, and Spinnaker, all set in 2020. But the enhancements don't stop there. In 2023, we invested in a complete deck revamp, renewing not just the surface but the very essence of your sailing experience.

Feel the security and modernity with newly installed stanchions, bases, and lifelines. Every detail has been considered to ensure your safety and the sleek aesthetic that defines this vessel. Imagine a sailboat where tradition meets innovation, where classic lines are complemented by a modern electronics package (2018), turning every journey into an immersive experience.

Yet, it's not just about luxury; it's about self-sufficiency. This Concept boasts recently installed solar panels, a watermaker, and a charging system—a testament to the owner's commitment to seamless, carefree cruising. The Hyundai Concept is not just a purchase; it's an investment in a journey waiting to be written.
