Summary/Description

Embark on seafaring adventures with this stunning 1985 Bruce Roberts designed sailboat, a testament to solid craftsmanship and timeless design. Constructed with meticulous care, its fiberglass hull ensures durability and stability for confident voyages.

Embark on seafaring adventures with this stunning 1985 Bruce Roberts designed sailboat, a testament to solid craftsmanship and timeless design. Constructed with meticulous care, its fiberglass hull ensures durability and stability for confident voyages. A 2019 engine upgrade provides modern reliability, while a spacious beam amplifies the onboard comfort.

Step into elegance with solid teak and holly floors, a rare touch of authenticity in contrast to similar builds. The interior, adorned with cedar emanates a warm, inviting ambiance. Practical upgrades include a new fuel tank for extended journeys, and Espar diesel to keep you warm in the colder months. Embrace sustainable cruising with solar panels harnessing the power of the sun.

This sailboat prioritizes safety and functionality with high-quality additions such as cast stainless steel portlights and newer bronze through-hulls. The galley boasts a newer three-burner propane stove catering to culinary enthusiasts. Revel in relaxation with the comfort of new upholstery. Immerse yourself in the timeless beauty and upgraded features of this Bruce Roberts sailboat, inviting you to set sail on a journey of discovery.
