Extensive Repowering in 2019 & 2017 - Complete Overhaul Done on Interior with Shockwave Seating - Extreme Fishing & Cruising Capable

Discover the allure of the Hourston Glasscraft, a local gem crafted in North Vancouver that has garnered admiration from both avid fishermen and coastal cruisers. This particular vessel, recently repowered, boasts a 2019 350 HP Suzuki engine with a mere 325 hours of use, ensuring powerful and reliable

performance. Adding to its versatility, a 2017 20 HP Suzuki serves as a dedicated trolling engine with a modest 430 hours.

Equipped for serious angling, the boat features two comfortable shockwave seats for a smooth ride, and a substantial 130-gallon gas tank, ensuring extended journeys on the water. Further enhancing its fishing capabilities, three electric high-performance Scotty downriggers are ready for action.

On this Hourston Glasscraft navigational excellence is ensured with the inclusion of 2014 Garmin electronics, featuring radar, chart plotter, and sonar displayed on two 12-inch screens. Best of all this package is also complete with a 2010 dual-axle trailer, providing both convenience and peace of mind for transport and storage.
