Summary/Description

All service is up to date and is lift kept!

This 2000 Baja Outlaw 29 SST is a performance-oriented powerboat designed for speed and excitement on the water. The Baja Outlaw 29 SST is a part of Baja Marine's Outlaw series, which is known for its sleek design, high-performance capabilities, and offshore racing heritage. Baja Marine is a well-established boat manufacturer with a focus on performance powerboats.

Key Features:

- Hull Design: The Outlaw 29 SST features a deep V-shaped hull design, optimized for stability and handling even at high speeds. This design is common among performance boats, allowing for smooth rides in various water conditions.
- Trailer: A trailer is included with the purchase of the boat. This allows for easy transportation to different bodies of water.
- Service records available upon request.
