## Overview

### Manufacturer Provided Description

The Pursuit 3400 Express, with its modified deep-V entry and generous 12-foot, 9-inch beam, features performance marked by exceptional stability, precise handling, and a soft, dry ride. The fishing package comes complete with all the necessary equipment including fish boxes in the transom and floor, bait and tackle storage drawers in the lower cockpit, a baitwell unit with activity light, a sink with fresh water spray, a bait prep area, a circulating baitwell, and a cutting board / splash lid. In addition, Lee's rod holders are also standard. The optional fish / cruise plan replaces the fish box with fold-down transom seating and is complemented by more aft-facing upholstered seating. The helm is located starboard and a large L-shaped lounge can be found in the upper cockpit. Aft of the helm is a comfortable captain's chair and entertainment center with cooler / sink basin, cutting board, cup holders, and drawer storage beneath the seat. Belowdecks, the salon has sleeping accommodations for four and features a convertible dinette with a teak table and handcrafted brass marlin inlay. The galley comes fully-equipped, and the head includes a full standup shower and storage. A solid teak and holly floor is standard, matched with stylish fabrics and detailing.
