The Sea Ray 330 Sundancer is a great family cruiser that combines styling with roomy accommodations and a good turn of speed. With its distinctive styling, the Sea Ray 330 Sundancer stands apart from the crowd. This 33-footer sleeps six, has a large, versatile cockpit and all the performance anyone ever needs in a family cruiser. The double helm seat gives captain and navigator a clear view of the water through the tempered glass windshield, which is center vented to catch sea breezes and provide access to the foredeck.
