

HONU

36' (10.97m) 2000 Endeavour Catamaran Trawlercat 36
Edgewater Maryland United States

OVERVIEW

Manufacturer:	<i>Endeavour Catamaran</i>		
Engines:	2 Yanmar	Hull Material:	Fiberglass
Engine Model:	4JH3-DTE	Cruise Speed:	Knots
Engine HP:	125	Max Speed:	Knots
Beam:	15' 0"	Cabins/Heads:	3 / 1
Max Draft:	3' 0"	Fuel Type:	Diesel
Water:	90 G (340.69 L)	Fuel:	300 G (1135.62 L)

\$159,000

Data Sheet

Category: Catamaran
Condition: Used
Model Year: 2000
Beam: 15' Max Draft: 3' LOA: 36'
(10.97m)
Cabins: 3
Sleeps: 6
Heads: 1

Knots
Knots
Fuel Type: Diesel
Hull Material: Fiberglass
Hull Shape: Catamaran
Bridge Clearance: 15'

Fuel Tank: 300 gal (1135.62 liters)
Fresh Water: 90 gal (340.69 liters)
Holding Tank: 30 gal (113.56 liters)
Imported: No
HIN/IMO: ECR36710B000

Engines/Generators

Engine 1

Yanmar
4JH3-DTE
Inboard
125HP
93.21KW
Fuel: Diesel
Hours: 3400
Year: 2000
Location: Port

Engine 2

Yanmar
4JH3-DTE
Inboard
125HP
93.21KW
Fuel: Diesel
Hours: 3400
Year: 2000
Location: Starboard

Generator 1

Westerbeke
5.50KW
Hours: 430

Summary/Description

If you're looking for a fantastic boat to do the Great Loop, some coastal cruising or to entertain a large group on day trips, HONU is the boat you should be considering!

If you're looking for a fantastic boat to do some coastal cruising, the Great Loop or to entertain a large group on day trips, HONU is the boat you should be considering! This Endeavour Trawlercat 36 packs a lot of boat in just 36'! With a 15' beam that can fit into any slip, an above the waterline height of just 15' and a mere 3' draft, her cruising potential is endless!

Lots of recent updates including:

- New holding tank and sanitation hoses (2021)
- New AC unit (2022)
- Both alternators replaced (2020)
- New props (2020)
- Davits with tender and Yamaha outboard

Why A Trawlercat?

Not surprisingly, power catamarans are the fastest growing sector of boats in the market today. Many boaters (both power and sail!) love the stability, space, and ease of use that a power catamaran can provide. The Endeavour Trawlercat 36 is the PERFECT boat for the Great Loop or Florida Keys/Bahamas cruising!

Stability: not only at the dock, but at anchor and while underway. While other sailboats and trawlers despise a rolly anchorage or wake from a passing boat, the twin hulls of the catamaran keep the boat stable and safe.

Space: both inside and out! Looks can be deceiving... don't underestimate how much room this 36' has! Many have compared the living space equivalent to a 40' traditional trawler with the separation of the inside accommodations and the large space on deck.

Efficiency: with reliable Yanmar 125HP twin diesel engines. Cruise easily at 8-10 knots with a fuel burn of about 2 gph per engine, or throttle up and run at 12-14 knots when you need to outrun a storm.

You can cruise virtually anywhere! The compact design has a 15' beam which allows you to fit into nearly all standard slips and travel lifts for haul outs. The 14' air draft lets you cruise the ICW or Great Loop without being at the mercy of bridge openings. The shallow 3' draft means you can explore the nooks and crannies of your destination without fear of running aground.

If any of these sound good to you, then HONU should definitely be on your list of boats to see! She is clean, tidy and ready to be turned over to her new owners. Her current owners have enjoyed her locally here in the Chesapeake Bay and their pride of ownership is reflected throughout.

Accommodations

Salon:

- Reverse cycle AC/Heat via a single unit in the salon (2022)
- Teak and holly laminated flooring throughout
- L-Shaped Settee w/ storage
- Starboard side single seating
- Hinged table that swings up for dining
- Overhead hatch w/ privacy shade
- Shelf behind the settee with fold up louver doors opening up to the master stateroom
- Upper cabinet above table
- Element TV
- LED Lights throughout; Salon overhead light are dimmable LED lights
- Fans

Starboard Hull:

- Main electrical panel 12/120 volt
- Sony 12 Volt Radio
